

Economic profile

VP Wealth Management (Hong Kong) Ltd. – We can offer you more

Renowned for its expansive skyline and natural setting, Hong Kong is one of the world's leading financial capitals and a major business and cultural hub.

Hong Kong's highly capitalist economy has been ranked as the most free economy in the world in the Index of Economic Freedom for 14 consecutive years. It is an important center for international finance and trade, with the greatest concentration of corporate headquarters in the Asia-Pacific region, and is known as one of the Four Asian Tigers for its high growth rates and rapid industrialisation.

The Hong Kong Stock Exchange is the sixth largest in the world, with a market capitalisation of US\$2.97 trillion, and the second highest value of initial public offerings. The currency used in Hong Kong is the Hong Kong dollar.
