

Professional Advice

Professional and independent

Is it your desire to offer your demanding clients the best solutions to be had in the market? As a reliable partner, we help you to enthuse your clientele with individualized solutions.

Profound knowledge of the international financial markets, a worldwide network of relationships, as well as a comprehensive range of products and services are the decisive factors for a long-term partnership in our business.

Based on our years of experience in working together with financial intermediaries, you can be rest assured that we will stand by your side as a conscientious, long-term partner.

Our independence, professional know-how and modern infrastructure support you in your efforts to exceed the expectations of your clients.

To whom are our services directed?

Independent asset managers

More than anything, you value professional service and rapid execution of your instructions. In this regard, you benefit from our comprehensive, specialized know-how and experience in handling all types of banking business.

Fiduciaries and attorneys

Our extensive knowledge of and experience with trusts, foundations and other corporate structures represents a key element of trust banking. You benefit from it, and so do your clients.

Why VP Bank?

From your viewpoint, only the best is good enough for your clients. As your partner, we place the same strict demands on our own performance. With our first-rate, individualized solutions, we – together – can enthuse your clients.
