Together we can shape the future

Want to develop further – both professionally and personally? We help you to achieve your goals.

The VP Bank Group is an innovative private bank with a size that makes it comprehensible.

Approximately 730 employees throughout the world appreciate the intimate working environment and the constructive teamwork at all of the Group's locations. Contributing to that is the fact that we foster open communication and develop solutions together.

We trust each other and behave in a way that earns trust. That's the way we live in-house, and clients sense it in their collaboration with us.
